ECONOMY: Unemployment Lowers

The Fredericksburg region, particularly Stafford County, benefits from continued demand for Defense Department contractors near Quantico Marine Corps Base. Regional unemployment lowered to 5.7% from 7.3% in the fourth quarter and remains below the national rate of 6.0%. Following the governor's announcement that all Virginians will be eligible for the COVID-19 vaccine in April, optimism remains for a strong economic rebound for the remainder of the year. The long-term effects will continue to unfold, but overall, the Fredericksburg region has been able to recover most of the job losses caused by the pandemic. First quarter employment is down approximately 1.0% from the same period last year, compared to a 5.9% decline nationwide.

SUPPLY and DEMAND: Supply Remains Tight

Demand for warehouse space continues to drive the industrial market and availability remains tight, the vacancy rate in Q1 decreased 60 basis points (bps) from Q4 2020 to 4.2%. Construction activity continues in Stafford County on two properties: CSG Partners' 486,720 square foot (sf) speculative warehouse space at the 95 Distribution Center and the 90,000-sf of flex space in Merritt Business Park at Quantico B. Amazon has expanded its footprint in Virginia by beginning work on their new facility located in Fredericksburg. The new facility will be located on a 61-acre lot adjacent to Stafford Regional Airport. This project will create several new jobs in the Stafford County and Fredericksburg Regions and is set to deliver in Q3 of 2021.

PRICING: Asking Rents Hold Steady

Overall industrial asking rents remain above \$6.00 per square foot (psf) with limited availabilities in the current supply. The market experienced a 1.5% increase in the overall average asking rent over the past year. Warehouse rental rates ended the quarter at an average of \$6.10 psf, down from \$6.18 in Q4 of 2020. Office Service/Flex still commands the highest rate at an average of \$12.49 psf. Sales activity improved during the quarter with seven sales totaling over \$18.8 million. Most notably, The Fredericksburg Center Portfolio in Spotsylvania County, which was sold as an investment for \$14 million.
