- Named #2 in the State of Missouri for Job Growth

With the philosophy of "family first," the City of O'Fallon, Missouri, has achieved phenomenal growth for over a decade, making it one of the fastest-growing cities in the nation. The belief that the opportunity to live, work and play within the same community should be readily available supports the strong family values that are O'Fallon's greatest asset and the foundation on which the City continues to build its future.
