THE TRANSFER

PARK POINT

Park Point will be home to a community of innovation for industries ranging from life science to high-tech, and beyond. Tenants will enjoy the park-like campus, copious natural light from the numerous skylights throughout, and abundance of on-site, walkable, and nearby amenities. Both Assembly and Grid tenants can utilize amenities at The Yard, The Square, the café and fitness center, and the walkability to other areas of the campus via both Main Street and The Avenue, including trails surrounding the campus.

Single-Story Property Summary

Life Science	Total 324,000 RSF Fully Leased
HVAC*	New high-efficiency packaged rooftop units installed as part of renovation. Specific exterior zones have been identified to accommodate supplemental or custom tenant infrastructure needs
Electrical*	Ten (10) points of electrical delivery to the entire campus with five (5) points dedicated to the single-story section; South east corner 1500 KVA , 2500 KVA, east side 2000 KVA, 1500 KVA, west side 2500 KVA
Generator*	Opportunities to install tenant specific infrastructure on exterior pads or on roof
Fire and Life Safety	Fully sprinklered with new code compliant fire panels throughout
Dock Height Loading Doors	Grid (East) building features two (2) 8' x 10' dock height loading doors. Assembly building features three (3) 8' x 10' dock height loading doors. Access and turning radius for both are designed to accommodate a WB50 truck
Clear Height	Grid (East) and (West) buildings — 19'
Column Spacing	30' by 40'
Foundation	6" reinforced concrete slab on grade

* Life Science space designed to accommodate custom infrastructure to meet the specific needs of each tenant
