RUTHERFORD COUNTY HIGHLIGHTS

Rutherford County is considered one of the most desirable communities to call home in Middle Tennessee. With a population of 352,182 as of 2021, it is the second fastest growing county in Tennessee and 30th in the United States. This is largely due to its strategic location along Interstate 24 and being just 15 miles Southeast of Metropolitan Nashville. Rutherford County communities include Murfreesboro, Smyrna, La Vergne and Eagleville, and is home to corporate giants Nissan, Delek, Amazon, Ingram, Whirlpool, General Mills, State Farm, Bridgestone-Firestone, McNeilus Corporation and Verizon Wireless. The recent population growth and above average income levels in the area have made the county a hotbed for growth in Middle Tennessee. Murfreesboro has grown over five times faster than the national average. It is the sixth largest city in the state with rapidly growing employment, retail and housing infrastructure.
