THE OPPORTUNITY

C&W is pleased to present an opportunity to acquire a freehold interest in 9348 King George Boulevard, Surrey, B.C.

The site totals approximately 2.3 acres and is located within the adopted City Centre Neighborhood Community Plan (NCP). The base density for the site has been set at 3.5 FAR with the ability to add additional density through the City's bonus density program.

LOCATION

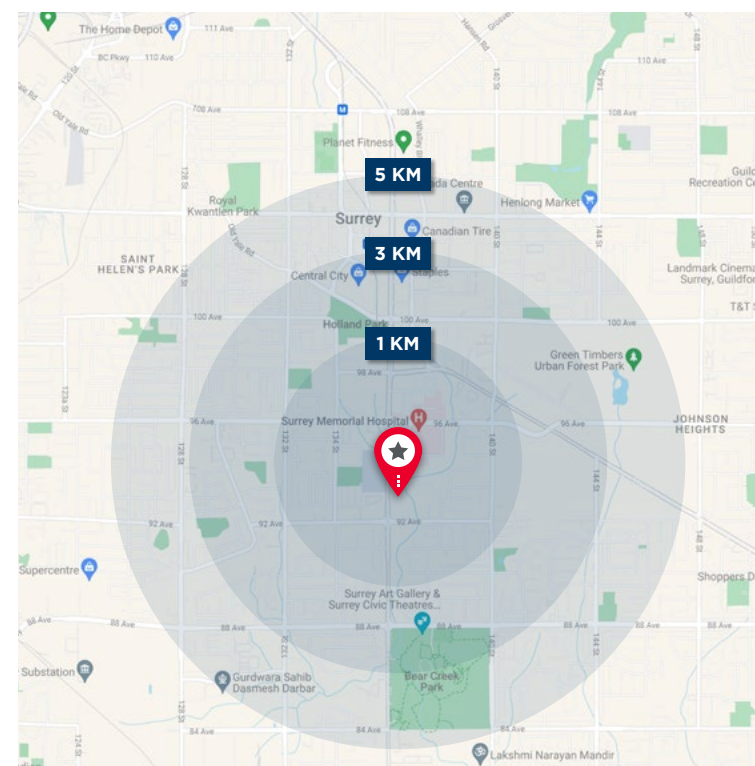

9348 King George Boulevard is exceptionally well located with direct access to several major traffic arteries in the surrounding area. The subject is several blocks from the City Centre Skytrain station along with parks and retail amenities close by. The site also offers access to the Surrey Memorial Hospital making the potential for amenity space in support of the hospital a reality.

The subject is located in a greenbelt which will offer a serene setting to future residents while providing access to all that Central City has to offer.
