IN THE CENTER OF IT ALL

University Park at Bridgewater is a bulk distribution park that is centrally located in the “Logistical Center” of the State of Florida. The site features access to nearly 9 million consumers within a 100-mile radius, and is situated within four hours’ drive-time of every major city in Florida. The property offers excellent access to Tampa-Orlando via Interstate 4, and offers abundant access to labor. The site is also in close proximity to the new CSX intermodal facility in Winter Haven.

Florida itself has a robust wholesale trade and transportation sector. The State features one of the world’s most extensive multi-modal transportation systems, including international airports, deep-water shipping ports, and extensive highway and railway networks—all of which are within easy access of Lakeland.
