AREA OVERVIEW

In the heart of San Francisco’s West Portal neighborhood, 231 and 233 West Portal Avenue offers desirable, smaller retail and office spaces. West Portal Avenue is the neighborhood’s main corridor and serves as a principal shopping district of southwestern San Francisco.

Because of its size and mix of mom and pop, regional and national shops, cafes and restaurants, the neighborhood is often described as having a village-like atmosphere.

231 and 233 West Portal are on the southerly side of what is locally referred to as the “second block” of West Portal Avenue, between Vicente and 14th Streets. 1 block away is the West Portal Muni station, served by Muni train lines L Taraval, M Ocean View, S Shuttle, K Ingleside and T Third Street.
