## DEMOGRAPHICS

- Grande Prairie boasts a dynamic workforce with a median age of 34, making it one of Canada's youngest populations.
- The city offers some of the most competitive business costs nationwide.
- The City Council has approved over 10,000 acres of newly annexed land, opening up opportunities for industrial, commercial, and residential development.
- Grande Prairie serves as the strategic hub for two-thirds of Canada's oil and gas operations.
- The city features streamlined planning and permitting processes, ensuring rapid turnaround times for greenfield developments.
- Grande Prairie is a key distribution hub for Alberta, with three major highways and high-load capacity rail lines that provide ample connectivity across Canada and into the United States.
- From 2001 to 2021, Grande Prairie's population surged by 73.4%, with an estimated population exceeding 72,000 in 2024 (Sitewise 2024).
- Over 27% of Grande Prairie's population is under 20 years old, surpassing the number of residents aged 55 and over.
