ZONING

I-1 Industrial The purpose of this zoning is to permit light industrial uses, including advanced technology industry and industry with a significant amount of research and development activity, that are generally compatible with one another and with adjoining residential or commercial districts. Commercial uses, including office and retail uses, which are compatible with or complementary to light industrial uses, are also permitted, subject to the limitations of the zoning schedule. Click [here](#) to view the zoning information from the City of Vancouver.
